

Purpose: Identify potential career paths based on skills and interests.

About These Surveys:

- There are no right or wrong answers.
- Though the surveys are not timed, approximate completion times are listed below.
- You can use the results as a starting point for exploring potential career pathways.
- Your results can be saved in your Illinois workNet account.
- The surveys offered through Illinois workNet include:

- **Interest Profiler**

- What to Expect: There are 180 activities. Choose if you *like*, *dislike*, or are *unsure* for each activity.
- Results: Organizes interests into 6 categories of work.

- **Work Importance Locator**

- What to Expect: Group 20 statements based on how important the work aspect is to you.
- Results: Provides scores for 6 work values and occupations for each work value.

- **Career Cluster Inventory**

- What to Expect: Rate 80 activities as *like very much*, *like*, *dislike*, or *not sure*.
- Results: Provides a graph indicating how your interests match up to each career cluster.

- **Reality Check**

- What to Expect: 15 questions to help identify specific occupations based on cost of living expenses.
- Results: Provides list of jobs, education needed, and salary earned in city/region of interest.

- **Learning Style Survey**

- What to Expect: Rate activities "Often", "Sometimes", or "Not Often" to discover your learning style.
- Results: Provides scores for three learning styles such as auditory, tactile, and visual.
